**Opt out Option**

At times, via email, BWC members relay "member to member" information to other members of the Bolton Women's Club. For example, members might send an email requesting recommendations for a good doctor, or offer a free refrigerator that they no longer need, or get the word out about a local community event or a non-BWC sponsored fundraiser.

If you DO NOT wish to receive "member to member" emails of this type please check here. \_\_\_\_\_
